

## DETAILED CONTENTS

<b>PREFACE</b>	xv
<b>LINNEAN SOCIETY ACKNOWLEDGEMENTS</b>	xvi
<b>PICTURE CREDITS</b>	xvi
<b>INTRODUCTION</b>	xvii
<b>PART I: INTRODUCTORY MATERIAL</b>	<b>1</b>
<b>Section A. PERSONNEL, ORGANISATIONS, CURRENT AWARENESS</b>	<b>3</b>
PREVIOUS GUIDES	3
Biology and general science A1–A50; Related subjects A51–A59	3
HISTORIANS OF NATURAL HISTORY A60–A65	9
HISTORY OF SCIENCE SOCIETIES & ORGANISATIONS	10
Guides A66–A73; Individual societies, etc. A74–A97	10
NEWSLETTERS A98–A109	12
PERIODICALS	13
Guides A110–A118; Individual periodicals & serials A119–A250	13
PERIODICAL BIBLIOGRAPHIES A251–A271	23
GUIDES TO REVIEWS OF PAST PUBLICATIONS A272–A277	25
GUIDES TO DISSERTATIONS A278–A295	25
PERIODIC HISTORY OF SCIENCE MEETINGS	27
International Congress on the History of Oceanography A296–A300	27
Congrès International d’Histoire des Sciences A301–A320	27
Society for the Bibliography (later History) of Natural History A321–A353	29
<b>PART II: BACKGROUND MATERIAL</b>	<b>33</b>
<b>Section B. BIOGRAPHIES</b>	<b>35</b>
COLLECTED BIOGRAPHIES	35
Naturalists—General B1–B85; Explorers B86–B97; By region—European (& Mediterranean) B98–B138; North American B139–B182; South & Central American (& Caribbean) B183–B187; Asian B188–B190; Australasian B191; African B192	35
Old directories of scientists B193–B220	51
Bibliographies of general biographical literature B221–B233	52
Botanists (& plant collectors)—General B234–B272; By region—European (& Mediterranean) B273–B318; North American B319–B352; South & Central American (& Caribbean) B353–B368; Asian B369–B376; Australasian B377–B388; African (& Madagascar) B389–B398. Cryptogamic botanists—General B400; Pteridologists B401–B402; Bryologists B403–B409; Lichenologists B410–B417; Mycologists B418–B427; Phycologists B428; Microbiologists B429–B431	53
Old directories of botanists B432–B460*	68
Bibliography of botanical biography B461	69
Zoologists—General (incl. palaeontologists & anatomists) B462–B484; Physiologists B485–B491; Ornithologists B492–B512; Herpetologists & ichthyologists B513–B515; Entomologists & other arthropodologists B516–B543; Conchologists B544–B549; Taxidermists B550	69
Old directories of zoologists B551–B575	76
Old directories of entomologists & arachnologists B576–B596	77
Others (Earth scientists, etc.) B597–B599	78
Artists (& illustrators) B600–B615	78

PORTRAITURE	80
Portrait indexes B616–B630; Portrait collections B631–B660	80
Medallic portraits—studies & collections B661–B669	83
Bibliography of iconographical literature B670	83
INDIVIDUAL BIOGRAPHIES (& bibliographies) B671–B3121	83
<b>Section C. CLUB, SOCIETY, ASSOCIATION, &amp; ACADEMY HISTORY</b>	265
HISTORIES & DIRECTORIES OF CLUBS etc.	265
General C1–C18; By region—European C19–C43**; North American C44–C62; South American C63; Australasian C64–C66	265
HISTORIES OF INDIVIDUAL CLUBS etc.	270
Natural history—International C67–C82; By region—European C83–C716; North American C717–C848; South American & Caribbean C849–C854; Asian C855–C877; Australasian etc. C878–C898; African C899–C901	270
Botanical—General botany C902–C995; Botanical congresses C996–C998; Cryptogamic botany C999–C1015	337
Zoological—General zoology C1016–C1069; Mammalogical C1070; Ornithological C1071–C1095; Herpetological & ichthyological C1096–C1104; Entomological C1105–C1154; Conchological C1155–C1164; Other invertebrate societies C1165–C1168	345
Bibliographies of histories of clubs, etc. C1169–C1070	358
<b>Section L. LIBRARY HISTORY &amp; RESOURCES</b>	359
LIBRARY HISTORY & RESOURCES—General library directories L1–L12; Natural history (& general science) L13–L32; Botanical (& horticultural) L33–L37; Zoological L38–L43; Map resources L44	359
History/description of individual libraries L45–L237	362
History of personal collecting L238–L243;	376
Individual collectors L244–L267	376
Bibliographies of library resource literature L268–L270	378
LIBRARY CATALOGUES	379
Union catalogues L271–L283	379
Individual general catalogues L284–L292	380
Natural history libraries—By region: European L293–L403; North American L404–L459; South American & Caribbean L460–L460*; Asian L461–L467*; Australasian & Pacific L468–L475	382
Local natural history society libraries—European L476–L498; North American L499	
Microscopical science libraries L500–L501	398
Botanical libraries—General, by region—European L502–L555; North American L555*–L588; South American L589; Asian L590–L596; African L597	400
Cryptogamic botany libraries L598–L603	410
Zoological libraries—General, by region—European L604–L617; North American L618–L624; Asian L625	411
Ornithological libraries L626–L642*; Herpetological & ichthyological libraries L643– L649; Entomological libraries L650–L663; Conchological libraries L664–L666	413
Bibliographies of library history & catalogues L667–L671	417
Personal libraries—Natural history L672–L710; Botanical L711–L777; Zoological L778–L823	417
Bibliographies of personal library & book sale catalogues L824–L834	429
PERIODICALS' LIBRARY CATALOGUES—Union lists L835–L856; Individual periodicals catalogues—General L857–L859; Natural history L860–L887; Botanical L888–L902; Zoological L903–L915; Entomological L916–L919	430
Bibliographies of periodicals catalogues L921–L927	437
MANUSCRIPT RESOURCES & CATALOGUES (including drawings, theses, etc.)— Guides to repositories L928–L938; Surveys of resources, General L940–L943; By region: European L944–L963; North American L964–L991; Australasian L992–L995	437
Individual collections—By region: European L997–L1123; North American L1124– L1192; South American L1193–L1194; Asian L1195–L1196; Australasian L1197–L1200*	443
Bibliographies of manuscripts catalogues L1201–L1208	465
PHOTOGRAPH COLLECTIONS—Guides to resources L1209–L1216	465

## DETAILED CONTENTS

xi

<b>PART III: CORE BIBLIOGRAPHY</b>	467
<b>Section N. HISTORY OF NATURAL HISTORY</b>	469
HISTORIES OF NATURAL HISTORY—General N1–N70; 15th to 18th centuries N71–N110; 19th & 20th centuries N111–N143; Chronologies N144–N157; Encyclopaedias & dictionaries N158–N174	470
Bibliographies of natural history—General N175–N200; Incunabula N201–N203; Encyclopaedias & dictionaries N204–N210; Dissertations N211–N221; Periodical bibliographies N222–N241; Periodicals N242–N251; Chronological lists of periodicals N252–N254	484
REGIONAL HISTORIES OF NATURAL HISTORY—European N255–N331; North American N332–N388; South & Central American (& Caribbean) N389–N415; Asian N416–N434; Australasian (& Pacific) N435–N452; African (& neighbouring islands) N453–N458; Polar N459–N460*	489
Bibliographies of regional natural history—European (& Mediterranean) N461–N488; North American N489–N507; South & Central American (& Caribbean) N508–N522; Asian (& Indian Ocean) N523–N557; Australasian (& Pacific) N558–N567; African N568–N580; Polar N581–N584	504
SPECIAL TOPICS—Biogeography N585–N601; Ecology (& conservation): General N602–N649; By region—European N650–N666, North American N667–N685, Central American N686, Australasian N687 N687*, African N688; Reproduction N689–N694; Genetics & heredity N695–N756*; Evolution/Darwinism N757–N913; Miscellaneous topics N914–N933; School natural history N934–N952	511
Bibliographies of various natural history topics N953–N978	536
MICROSCOPY & MICROBIOLOGY—Microscopy & microtechniques N979–N1013; Cytology N1014–N1042; Microbiology N1043–1056; Microscopes N1058–N1080	537
Bibliographies of microscopy N1081–N1088	543
AQUATIC BIOLOGY & UNDERWATER EXPLORATION—Marine N1089–N1167; Freshwater N1168–N1178	544
Bibliographies of aquatic biology & exploration N1179–N1209	552
NATURAL HISTORY EXPLORATION, VOYAGES & TRAVEL—General N1210–N1246; By region—European N1247–N1248; North American N1249–N1268; South & Central American (& Caribbean) N1269–N1283; Asian (& Indian Ocean) N1284–N1291; Australasian (& Pacific) N1292–N1313; African N1314–N1321; Polar N1322–N1335; Individual expeditions & voyages N1336–N1525	554
Bibliographies of exploration & travel N1526–N1553	579
NATURAL HISTORY CABINETS & MUSEUMS—General N1554–N1578; By region—N1579–N1618	581
Individual museums, by region—European N1619–N1729; North American N1730–N1781; South American N1782–N1795; Asian N1796; Australasian N1797–N1803	586
Personal collections N1804–N1825	601
Bibliographies of museums N1826–1829	603
NATURAL HISTORY EDUCATION & RESEARCH INSTITUTIONS—General N1830–N1850; Marine stations N1851–N1863	603
Individual institutions, by region—European N1864–N1945; North American N1946–N2036; South & Central American N2037–N2040; Asian N2041–N2045; Australasian (& Pacific) N2046–N2052; African N2053–N2054	606
Old directories of museums, education & research institutions N2055–N2073	623
BIOLOGICAL CLASSIFICATION N2074–N2126; Classification schedule N2127; Natural history terms, etymology N2128–N2143	624
NATURAL HISTORY ILLUSTRATION N2144–N2159	628
Bibliographies of illustration resources N2160–N2162	630
NATURE & MAN N2163–N2198	630

<b>Section Nb. HISTORY OF BOTANY</b>	633
HISTORIES OF BOTANY—General Nb1–Nb24; 15th to 18th centuries Nb25–Nb63; 19th & 20th centuries Nb64–Nb72; Chronologies Nb72*; Plant exploration Nb73–Nb96	634
Bibliographies of botany—General Nb97–Nb124; Herbals & medical botany Nb125–Nb133; Plant groups Nb134–Nb143; Dissertations Nb144–Nb147; Periodical bibliographies Nb148–Nb164	641
REGIONAL HISTORIES OF BOTANY—European (& Mediterranean) Nb165–Nb324; North American Nb325–Nb389; South & Central American (& Caribbean) Nb392–Nb438; Asian Nb439–Nb487; Australasian (& Pacific) Nb489–512*; African Nb513–Nb531; Polar Nb532	645
Bibliographies of regional botany—European (& Mediterranean) Nb533–Nb610; North American Nb611–Nb659; South & Central American (& Caribbean) Nb660–Nb681; Asian (& Indian Ocean) Nb682–Nb726; Australasian (& Pacific) Nb727–Nb736; African (& neighbouring islands) Nb737–Nb757	670
SPECIAL TOPICS—Plant geography Nb758–Nb769; Ecology (& forest botany) Nb770–Nb799; Morphology, anatomy & embryology Nb801–Nb829; Physiology & reproduction Nb831–Nb852; Floral biology Nb853–Nb866; Genetics & heredity Nb867–Nb880; Palaeobotany Nb881–Nb896; Special plant groups Nb897–Nb902; Miscellaneous topics Nb903–Nb917	681
Bibliographies of special botanical topics Nb918–Nb941	690
CRYPTOGAMIC BOTANY—General Nb942–Nb944	691
Pteridology Nb945–Nb955. Bibliographies of pteridology Nb956–Nb972	692
Bryology Nb973–Nb988. Bibliographies of bryology Nb989–Nb1003	693
Lichenology Nb1004–Nb1023. Bibliographies of lichenology Nb1024–Nb1037	696
Mycology (including plant pathology) Nb1038–Nb1096. Bibliographies of mycology—General Nb1099–Nb1112; Regional Nb1113–Nb1130	697
Phycology (Algology) Nb1131–Nb1164. Bibliographies of phycology Nb1165–Nb1184	703
Bacteriology, Virology see Microscopy—microbiology see N1043–N1056	537
BOTANICAL EXPLORATION, VOYAGES see NATURAL HISTORY EXPLORATION etc. N1210–N1553	554
BOTANICAL GARDENS & ARBORETA—General Nb1185–Nb1218	706
Individual gardens—European (& Mediterranean) Nb1219–Nb1407; North American Nb1408–Nb1445; South & Central American (& Caribbean) Nb1446–Nb1461; Asian Nb1464–Nb1491; Australasian Nb1492–Nb1505; African (& Indian Ocean) Nb1506–Nb1514	708
Bibliographies of botanical gardens Nb1515–1520	729
HERBARIA & MUSEUMS—General Nb1521–Nb1539; Cryptogamic herbaria Nb1540–Nb1547 Individual herbaria & museums—European Nb1548–Nb1596; North American Nb1597–Nb1609; South American Nb1610 Nb1611; Asian Nb1612–Nb1617; Australasian Nb1618–Nb1622; African Nb1623; Personal herbaria Nb1624–Nb1657	729
BOTANICAL EDUCATION & RESEARCH INSTITUTIONS—General Nb1658–Nb1660	740
Individual institutions—European Nb1661–Nb1736; North American Nb1737–Nb1754; South American Nb1755–Nb1757; Asian Nb1758–Nb1764; African Nb1765 Nb1766	740
BOTANICAL CLASSIFICATION & NOMENCLATURE—General Nb1767– Nb1805	750
Classification schedules Nb1806 Nb1807	752
Botanical nomenclature Nb1808–Nb1817	752
Codes of nomenclature & indexes Nb1818 Nb1819; Spermatophyta Nb1820–Nb1837; Pteridophyta Nb1838; Musci Nb1839–Nb1840; Hepaticae Nb1841–Nb1843; Lichens Nb1844–Nb1846; Fungi Nb1847–Nb1849; Algae Nb1850–Nb1852; Botanical terms, etymology Nb1853–Nb1867; Vernacular plant names Nb1868–Nb1877	753
BOTANICAL ILLUSTRATION—General Nb1878–Nb1921; Plants in pictorial art	

## DETAILED CONTENTS

xiii

Nb1922–Nb1924	757
Bibliographies of illustration resources Nb1925–Nb1940	761
PLANTS & MAN—General Nb1941–Nb2004; Plant mythology & folklore Nb2005–Nb2015	762
<b>Section Nz. HISTORY OF ZOOLOGY</b>	769
HISTORIES OF ZOOLOGY—General Nz1–Nz22; 15th to 18th centuries Nz24–Nz38; 19th to 20th centuries Nz39–Nz40; Chronologies Nz41–Nz43	770
Bibliographies of zoology—General Nz44–Nz61; Dissertations Nz62; Periodical bibliographies Nz63–Nz81	773
REGIONAL HISTORIES OF ZOOLOGY—European (& Mediterranean) Nz82–Nz111; North American Nz112–Nz129; South & Central American (& Caribbean) Nz130–145; Asian Nz146–153; Australasian Nz154–158; African Nz159–Nz162	775
Bibliographies of regional zoology—European (& Mediterranean) Nz163–Nz191; North American Nz192–Nz203; South American Nz204; Asian Nz205–212; Australasian & Pacific Nz214–Nz217; African (& neighbouring islands) Nz218–Nz221	781
SPECIAL TOPICS—Animal geography Nz222–Nz227; Ecology & wildlife conservation) Nz228–Nz247; Morphology & anatomy Nz248–Nz294; Histology Nz295–Nz302; Embryology & development Nz303–Nz343; Physiology & reproduction Nz344–Nz451; Ethology Nz453–Nz483; Genetics & heredity Nz484–Nz488; Evolution see N757–N913; Palaeontology Nz489–Nz545; Miscellaneous topics Nz546–Nz557	784
Bibliographies of various zoological topics Nz558–Nz560	804
VERTEBRATE ZOOLOGY—General Nz561	804
Bibliographies of vertebrates Nz562–Nz571	804
Mammalogy Nz572–Nz599. Bibliographies of mammalogy— General Nz600–Nz618; Regional Nz619–Nz641	805
Ornithology—General Nz643–Nz671; Regional Nz673–Nz746	809
Bibliographies of ornithology—General Nz747–Nz760; Regional—European (& Mediterranean) Nz761–Nz794; North American Nz796–Nz819; South & Central American (& Caribbean) Nz820–Nz824; Asian Nz825– Nz834; Australasian (& Pacific) Nz835–Nz838; African Nz839–Nz846; Polar Nz846*	816
Herpetology Nz847–Nz857; Bibliographies of herpetology—General Nz858–Nz866; Regional Nz867–Nz897	820
Ichthyology Nz898–Nz933; Bibliographies of ichthyology—General Nz934–Nz944; Regional Nz945–Nz964	823
INVERTEBRATE ZOOLOGY	827
Bibliographies of invertebrates—General Nz965–Nz967*	827
Entomology—General Nz968–Nz998; Regional Nz999–Nz1076	828
Bibliographies of entomology—General Nz1077–Nz1089; Regional Nz1090–Nz1129; Insect groups Nz1130–Nz1166; Periodical Nz1167–Nz1173	828
Conchology Nz1174–Nz1201; Bibliographies of conchology Nz1202–Nz1224	839
Arachnology, Carcinology, etc. Nz1225–Nz1252; Bibliographies of arachnology & carcinology Nz1253–Nz1275	843
Helminthology Nz1276–Nz1283; Bibliographies of helminthology Nz1285–Nz1294; Periodical bibliographies Nz1295	846
Other invertebrate zoology Nz1296–Nz1319. Bibliographies of other invertebrate zoology Nz1320–Nz1341	847
Parasitology Nz1342–Nz1367; Bibliographies of parasitology Nz1368–Nz1373	850
Protozoology Nz1374–Nz1396*; Bibliographies of protozoology Nz1397–Nz1402	852
ZOOLOGICAL EXPLORATION, VOYAGES see NATURAL HISTORY EXPLORATION etc. N1210–1553	554
ZOOLOGICAL GARDENS, MENAGERIES, AQUARIA—General Nz1403–Nz1429	854
Individual zoos & aquaria Nz1430–Nz1475; Personal menageries Nz1476–Nz1478	856
ZOOLOGICAL CABINETS & MUSEUMS—General Nz1479–Nz1510	860

Individual museums – European Nz1511–Nz1590; North American Nz1591–Nz1620; Asian Nz1621–Nz1624; Australasian Nz1625 Nz1626; African Nz1627 Nz1628	862
Personal collections Nz1629–Nz1670	871
Bibliographies of collections Nz1671–Nz1672	874
ZOOLOGICAL EDUCATION & RESEARCH INSTITUTIONS—General Nz1673–Nz1676	875
Individual institutions—European Nz1677–Nz1733; North American Nz1735–Nz1790; South American Nz1791; Asian Nz1792–Nz1794; African Nz1795	875
ZOOLOGICAL CLASSIFICATION & NOMENCLATURE—General Nz1796–Nz1818	885
Classification schedules Nz1819–Nz1821	886
Zoological nomenclature Nz1822–Nz1825; Codes of nomenclature & indexes Nz1826–Nz1837; Zoological terms, etymology Nz1838–Nz1854	886
Vernacular animal names Nz1855–Nz1867	889
ZOOLOGICAL ILLUSTRATION—General Nz1868–Nz1880; Mammalogical Nz1881 Nz1882; Ornithological Nz1883–Nz1895; Ichthyological Nz1896 Nz1897; Entomological Nz1898–Nz1905; Conchological Nz1906 Nz1907; Anatomical Nz1908–Nz1915; Animals in pictorial art Nz1916–Nz1922	889
Bibliographies of illustration resources Nz1923–Nz1929	894
ANIMALS & MAN—General Nz1930–Nz2002*; Mythology, folklore & cryptozoology Nz2003–Nz2021	894
<b>PART IV: SUPPLEMENTARY GUIDE</b>	901
<b>SECTION S. HISTORICAL &amp; BIBLIOGRAPHICAL METHODS</b>	903
HISTORIOGRAPHY & HISTORICAL METHODS S1–S56	903
Bibliographies of reference works in historiography S57–S64	907
Special sources of historical evidence S65–S81	907
ARCHIVAL SOURCES	908
Significance, location & use S82–S128; Handwriting S129–S133	908
BIBLIOGRAPHY & BIBLIOGRAPHICAL METHODS	912
Bibliographies of bibliography S134–S143	912
Bibliographical methods & problems S144–S179; Analytical & descriptive bibliography S180–S201; Historical bibliography S202–S219; History of publishing S220–S258; History of periodicals S259–S277; History of some individual periodicals S278–S321; History of some individual publishers S322–S363; Establishing dates of publication S364–S387; Natural history bookselling S388–S396; Systematic bibliography S397–S402; Periodical title abbreviations S403–S408	913
HISTORY OF BIBLIOGRAPHY	932
General S409–S428; Bibliographers & historians S429–S433; Individual bibliographers etc. S434–S492	932
<b>PART V: INDEXES</b>	
INDEX OF SUBJECTS	939
INDEX OF PLACES	943
INDEX OF NAMES	949
